Soli Forouzan of Mind-Span
to aid in Risk Management Enhancement.

"We currently have one of the best physical systems on the market." says DMS president Frank Pena. "Now we want to enhance our risk system to be its equal."

DMS is happy to announce that we have obtained the services of Soli Forouzan of Mind-Span, a highly respected individual in the Risk Industry, to assist in insuring that our project to upgrade our Risk Management functionality results in creating one of the best systems in the industry.

Mr. Forouzan will be involved in every aspect of the Risk functionality and will be especially focused on the accuracy of the Risk reporting. You can find out more about Mr. Forouzan, his many achievements, and why we selected him, by visiting the Mind-Span website at www.mind-span.com.

Of particular note is Mr. Forouzan's expertise in managing the risks and opportunities created via the ownership of energy assets such as natural gas storage facilities or power generation plants
