Alliant - NG Energy Trading, LLC
Oklahoma City, OK

Alliant Corporation out of Madison, WI, has announced it will expand its previous licensing agreement to a full enterprise license in order to bring its non-regulated affiliate "NG Energy" onto the Gaspro System.

NG Energy, based in Oklahoma City, is part of Hartland Energy, Alliant's non-regulated energy division located in Cedar Rapids.

Current plans are to parallel through December and go live during Qtr 1 of 2002.

According to all parties involved, the project is right on schedule
